## Saturday May 14 Palatka Amphitheater Garrison Doles Starts at 7:00pm

A true singer/songwriter - a song maker and a story maker. Listening to these songs is like running the pad of your thumb around the edge of that smooth, green sea glass. You can sense the raggedness beneath the surface. You can feel the textures of life's abrasion, the swirling imprints of the forces that polish us down to our essential selves. There is a comfort in that and a complex sort of pleasure.

## June 25th, Palatka Amphitheater 7:00 pm Franc Robert and the Box Car Tourists

Winners of the St. Johns River Blues Festival  
Franc said ;  
"It all started with hearing Clapton". Certainly those words have been heard before from many musicians over the years, but it's rare for one to grow far beyond the seed that germinated one afternoon in 1980. And for Franc Robert, that seed has grown into a life-long love affair with the blues.  
This blues will blow you away! Franc formed the Box-car Tourists specifically for the release of 49x61, re-cruiting Trent Sholl on bass and Remi Sawyer on drums.
